

ABHISHEK CHAUHAN

WEB DEVELOPER

House No. 102, Butibori, Nagpur | 9284303161 | abhisheksinghiitp@gmail.com

SUMMARY

Dedicated full-stack web developer with strong expertise in the MERN stack, skilled at building robust, scalable, and user-friendly web applications. Passionate about AI and Machine Learning, leveraging innovative technologies to design intelligent solutions that enhance functionality and user experience. A lifelong learner and problem solver with a collaborative mindset, eager to tackle complex challenges and deliver impactful results by blending advanced development practices with cutting-edge artificial intelligence capabilities. Currently building 'Illustro Webs' a web development agency focused on delivering innovative digital solutions.

PROJECTS

NyayaSetu

- Developed a scalable, citizen-centric legal technology platform that enables real-time court case tracking using CNR numbers.
- Key features include AI-powered legal assistance, automated hearing and case update notifications, multilingual support, and simple legal explanations for non-technical users. Integrated Telegram bot and IVR-based access for inclusive reach, with a centralized web dashboard and secure backend architecture designed for scalability and reliability.

R-Bazaar E-commerce Website (<https://rbazaar.in/>)

- R Bazaar is an e-commerce website for furniture and home décor, offering a smooth online shopping experience.
- It features a clean product catalog, responsive design, and secure checkout.
- Built to help customers easily browse, compare, and purchase quality home furniture online.

Illustro Webs (<https://www.illustrowebs.in/>)

- Illustro Webs is a digital agency that helps businesses build a strong online presence through modern, responsive websites.
- They offer web development, UI/UX design, SEO, and digital marketing solutions tailored to business goals.
- Their focus is on creating visually appealing, high-performance digital experiences that drive growth.
